EXPERIENCE

- AUG 2022 - PRESENT**
FREELANCE T-SHIRT GRAPHIC DESIGNER
SELF-EMPLOYED / REMOTE
Specialized in custom apparel graphics across niches like fitness, streetwear, and humor. Delivered trend-driven, print-ready designs for global clients on Merch by Amazon, Etsy, and Redbubble.
Key Contributions:
Created 1,500+ unique t-shirt designs using both traditional and AI-assisted workflows.
Leveraged AI tools like Midjourney, Ideogram, and DALL-E for concept generation and variation development.
Blended AI outputs with Adobe Illustrator for final vector refinement and print readiness.
Worked with Fiverr and private clients to develop niche-focused apparel lines.
Tools: Adobe Illustrator, Photoshop, Midjourney, Ideogram, DALL-E, Canva
- JUN 2018 - JUL 2022**
FREELANCE / REMOTE
Worked with multiple clients across Europe, particularly Germany, to deliver professional graphic design services for print and digital apparel needs.
Key Contributions:
Designed full t-shirt collections for German and European streetwear, festival, and motivational brands.
Created promotional materials such as banners, social media visuals, and product catalogs using Adobe Photoshop.
Developed consistent vector-based designs, branding elements, and print files in Illustrator.
Maintained clear communication and file delivery through email and cloud platforms.
Clients Served:
Germany (Berlin, Hamburg), Netherlands, Austria
Tools Used: Adobe Photoshop, Adobe Illustrator
AI Tools Used: None – All graphics were custom designed manually.
